Annual Raffle Basket Auction

Your Contribution and Volunteerism is Appreciated!

March 2024

On Wednesday, April 24, 2024, The Babylon Village Chamber of Commerce (BVCC) will again conduct its Annual Raffle Basket Auction at the Piermont in Babylon Village. The event will run from 6:00 p.m.– 9:00 p.m.

As with every year in the past, we are excited to provide the Annual Raffle Basket Auction to help promote our many members of the BVCC establishments to consumers for Local Shopping, Local Businesses, and Local Eateries in a fun and exciting way while providing a donation to maintain a prosperous downtown.

We are reaching out to you as we would love to feature your business at this event. This event is expected to reach over 400 people local to the community, Babylon and beyond. The proceeds raised from this event will help to support the upcoming events and projects coordinated by the BVCC in 2024.

We kindly ask you to please support this event by donating a raffle prize to be auctioned off on April 24th. Your business can participate in the following ways:

- *Creating a raffle basket(s), or if you provide us with donated items we will create beautiful baskets and concepts to promote your business.*
- *We also accept donations of gift certificates.*
- *No donation is too small! “We are in need of **RAFFLE DONATIONS**, please provide a helping hand!”*

Along with your donation, we welcome any sort of promotional items such as coupons, business cards, flyers for future events, etc. that we would be happy to distribute that evening.

You may drop off donated items at Sol y Luna (61 Deer Park Avenue, Babylon) or we will gladly collect donated items at your convenience.

The Babylon Village Chamber is a not for profit organization; therefore, a portion of your contribution is tax deductible.

Thank you for your loyalty and commitment to the Babylon Village Chamber of Commerce. Your continual support maintains our Downtown Babylon Village District thriving.

Visit our website at: <https://babylonchamber.com/upcoming-events> to view details and tickets for the event.

Sincerely,

Brittany Colasanto
